## Format and Schedule

**Saturday 14th December 12 noon start (Draw will be made at 11.45am)**

**Format - Swiss with a Twist (now to be known as Swist)**

On the Saturday all players will play 5 x 7pt matches to determine ranking and KO stage advantage.

Once completed a ranking table will be determined based on the results and using "goal difference" for those finishing with an equal amount of wins. If still tied a random draw will determine ranking.

**Advantage for doing well in the Swiss matches:-**

The top eight in the ranking table will be seeded in the KO stage so will avoid contact with each other until the quarter finals providing they make it through. The number of wins achieved in the Swiss will increase your chances in the first two rounds of the KO stage by way of a seeded draw and points start using the formula - (Your number of wins) minus (your opponents number of wins) equals (number of points start in KO stage rounds one and two). **Example** - Player with 4 wins in Swiss against player with 1 win in Swiss will receive a 3 point start in KO stage rounds 1 and 2.

**Sunday 15th December 10.30am start**

**Format - KO stage - Main (11pts), Consolation (9pts), Last Chance (7pts)**

On the Sunday all players will join the KO stage. The draw will be determined by the Swiss ranking table. Rounds 1 and 2 will give an advantage to those players with more wins than their opponent from the swiss stage (see above). First round losers will then take part in the 9pt consolation bracket. 2nd round losers in the main and 1st round losers in consolation will then take part in the 7pt last chance event.

# Rules

## **\*\*Entry Details:-**

The tournament is open to all players. Places will be given on a "first come, first served basis". However preference will be given to those players that have previously attended the Bradford monthly event at least 3 times in the current year. For example, if a player who has attended Bradford 3 times this year is the 33rd to enter they will get a place if there is a player in the first 32 to enter who hasn't attended 3 Bradford events this year. Should this occur registration/entry fees already paid will be refunded.

Registration and Entry Fees must be received by Sunday 17th November 2019. These can be paid in cash to myself, Kev Jones or by bank transfer (details will be supplied for this option). Should there be a genuine reason for non-attendance after payment is received the registration/entry fees will be refunded providing your place can be taken by another player. Optional side pools to be paid on the day.

## **Legal moves only:-** Tournament will use UKBGF rules

([http://ukbgf.com/wp-content/uploads/16draft\\_clean\\_rj\\_Tournament-Rules-UKBGF\\_Edition-1.pdf](http://ukbgf.com/wp-content/uploads/16draft_clean_rj_Tournament-Rules-UKBGF_Edition-1.pdf))

## **Clocks:-**

Clocks (subject to availability) in rounds one of the swiss and KO stages will be "clock preference" or mandatory if deemed necessary by the tournament director.

In subsequent rounds, the last 50% of matches to start will be clock mandatory.

If at any time, the Tournament Director considers that a match is being played at an unreasonably slow pace, the remainder of the match shall be played using a game clock.

## **Where the hell is he/she?:-**

Any player not available to play when their opponent is will incur penalty points (see UKBGF rules section 2.2 (iv) unless previously agreed with tournament directors.

If any additional rulings are required then these will be handled by the Tournament Director and selected experienced players at the tournament.
